Happy July 4th Everyone!!!

As we move into July, there's a lot of things happening. First we celebrate Independence Day and what that means for everyone.

The next item is of utmost importance to all of us here in GWRRA. It was announced at Wing Ding 43 in Shreveport, LA that this will be the last Wing Ding and that the Gold Wing Road Riders Association is shutting down at the end of this year, December 31, 2022.

So what does this mean for all of us? Well, until I get more information from the District level, the only things that I can tell you are that officially, GWRRA will shut down on July 31, 2022. The end of all operations will be on December 31, but the last 6 months is time for GWRRA to finalize shutting things down. For those that have active memberships, there will be refunds issued that are pro-rated depending on when you paid and when the membership expires.

What do we do as a chapter after this July? This will be our last official Chapter Gathering under the GWRRA title. We can no longer use the GWRRA logo or Wing Ding names in anything we do. We can still use the patches, have get-togethers and still ride together. Basically, we can become a group of friends getting together to chat and ride without having to have any other intention.

We are still gathering information on how we have to shut things down, but I will do my best to keep everyone update via email blasts as I find out more information. Please understand that this is all still being discussed and actioned while Wing Ding is going on and more information will be coming.

As it stands right now, we are working on changing the Facebook page to reflect that we will be Alamo City Wings (no mention of GWRRA) and we will continue to have the calendar up and running. There are a lot of details that we have to work out, but one way or another, we will do our best to provide whatever information we can along the way. Please be patient as this is an ongoing event and details are slim right now.

It has been our honor to serve as Chapter Directors and also the other positions we have served and we have made some truly great friends. Stay tuned for more to come!!!

If you have any news or questions about chapter or national GWRRA information, please feel free to address it at the Gathering on Wednesday, July 6th. See you then!!!!

Thanks for All You Do

Keith Griffin and Paula Milligan
